Swiss Course on Medicinal Chemistry 2020, Leysin

This five-day Medicinal Chemistry School that is organized by the Division of Medicinal Chemistry and Chemical Biology of the Swiss Chemical Society will focus on most modern aspects associated with small molecule drug discovery, highlighting the methodologies and technologies supporting hit generation, lead finding and lead optimization campaigns.

In the beautiful and scenic village of Leysin, close to Lake Geneva, more than 100 young scientists are expected to meet with approximately 35 international renowned expert speakers and instructors.

Conference Location

Alpine Classic Hotel***, 1854 Leysin, Switzerland
www.classic-hotel.ch
